FAVICON

STRUCTURAL CLARITY

A visual identity system for analytical systems architecture, structured problem-solving, and creative resonance.

MARK SYSTEM

A / THE HARMONIC LATTICE / **RECOMMENDED**

A geometric logomark where interconnected nodes transition into continuous wave contours—mapping complex systems while maintaining human-scale resonance.

B / THE THRESHOLD NODE

An open circular form intersected by a directional vector—representing phase transitions, critical clarity, and forward motion.

SCALABILITY:
CENTRAL NODE + INTERSECTING
VECTOR PATHS
